

# Employers Who Match Employee Contributions

The businesses, corporations and organizations below have matching gift programs that will double, and in some cases triple, your contribution to a qualified nonprofit organization. If your employer is listed, contact your human resources department for additional information about their matching gift program.

If your employer is not listed here, they may still have a program. Be sure to check with your employer to see if they have a matching gift program. Please note that some programs have additional restrictions, and the United Way may not meet all guidelines for some programs.
