

MCFOODS

Middlesex County's Emergency Food Network

DIRECTORY

Phone: 732-729-0880

INTRODUCTION

To help achieve local food security and provide access to nutritionally adequate food and other basic necessities to all residents in Middlesex County, at all times, the Middlesex County Food Organization and Outreach Distribution Services (M.C.F.O.O.D.S.) was created in 1994. Assisting in this fight to ease local hunger, the Middlesex County Board of Chosen Freeholders and the Middlesex County Improvement Authority (MCIA) have been working with M.C.F.O.O.D.S. to coordinate food drives through schools, municipalities and corporate businesses.

Since long-term, sustainable, development oriented approaches are necessary to meet the community food needs, many, government and non-profit agencies and organizations, churches, schools and businesses have formed a partnership to help achieve our goals. This directory includes a listing of many food pantries and soup kitchens throughout the County that offer assistance to Middlesex County Residents.

This directory will enable agencies, churches, municipal officials, police departments, etc. to have vital information at hand when asked for assistance by a Middlesex County resident. While this directory is not intended to be distributed to the public, it will provide information for the public.

All sites listed in the directory have given permission for their names to be included.
